Sub: Registration of mobile no/email id of landline subscribers in the cdr data base -reg

Ref: 1. ITPC/ CDR project/General/2011-12/Part IV/28 dated 21/12/20112.
2. Our letter No. IT/C106-1/CDR project/ 2010-11/ dated 27/07/2011 (copy available in the intranet)

Kindly refer to the discussions in the Management Meetings (held on 23.7.2011 and 03.12.2011) on the above subject wherein stress was given to update the subscriber contact details viz mobile no. and email ids in the cdr database thereby subscribers will be intimated about the new functionalities like SMS/email alerts for invoice generated, payment acknowledgement, Broadband usage, fault booking and clearance etc. which have been successfully deployed in CDR system. To avail these services, it is necessary that customer must register his/her mobile number and email id with cdr system.

In this connection, it is brought out to the kind attention of SSA Heads that so far only 3.34 lakhs customers have registered with their mobile numbers and 1.02 lakhs customers with e-mail ids. SSA wise details are given in the Annexure I. In the portal <http://10.196.215.54:7777/pls/apex/f?p=204:1:409430316213341> the details of landline subscribers whose mobile/email details are not updated can be viewed.

In this regard, it is requested that efforts may please be made to increase the % of registered mobile numbers and email id with cdr system.

Also, wide publicity of these inbound/out bound services/ features may be given by through press note, news papers/ other electronic media and printing of detail information on 1st page of the landline bills for information of customers to popularize these facilities.

The detailed procedure to collect the mobile number and emailed of the customer is given in the Annexure II. The functionalities available in cdr system are given in Annexure III.

For further details/clarifications, the assistance of Circle IT Wing/L2 Team may be utilised.
