Sub: Appeal to withdraw Black Day and Hunger Strike on 01.10..2020

Sir,

Please refer to your notice no.UA/2020/12 dated 26.09.2020 to observe black day and hunger strike on 01.10.2020 in support of demand for launching 4G services in BSNL.

It is informed that Management is making serious efforts to launch 4G services in BSNL in the best interest of the company.

At the same time it would be reiterated that BSNL is facing tough competition from private telecom operators. The co-operation of all employees, at this stage, is expected to improve its productivity. Any protest from the Union/Association at this stage may affect the productivity as well as financial condition. Besides it, the whole nation is in grip of COVID-19 pandemic and it is our duty to provide best services to the customers.

In view of above, it is earnestly appealed to withdraw the proposal to observe black day and hunger strike on 01.10.2020 and focus on the productivity of the company.
