No. 106-9/2010-Arch

Date : 05.09.2011

To

All Chief Architects/ Sr. Architects.

Sub : Nodal/ coordinating officer for External Projects.

In view of the fact that in dealing with External Projects, the coordinating authority in BSNL was not defined so far, it was decided by the Competent Authority that the BSNL unit (Arch/ Civil/ Elect) having major component of the project shall be a nodal/ coordinating officer.

Thus, it is to mention, in this regard, that letter No.1-4/EW-2009 dated 29.08.2011 issued by O/o PGM (E) holds good and that in letter No.19-38/2011-W(T)/274 dated 02.09.2011 issued by O/o PGM (BW), point No. 4, as mentioned, does not have the approval of the Competent Authority.

It is further mentioned that ED (NB) vide letter No. 106-9/2010-Arch dated 18.10.2010 to all Chief Architects had already desired that in all the Circles, Chief Engineers (Civil/ Elect) shall take the Architectural Units **in confidence** wherever PMC works require Architectural Design. He also desired that all the Architectural Units proactively contribute in procuring, planning and execution of External Building Works, as New Business, showing revenue earned by them.
